

MSc's Trade Fair Calendar 2015

Come and learn about MSc's solutions and operations in our international events in 2015

All-Energy, Glasgow, 6-7 May, 2015, stand G70

This is your chance to meet the key players from the renewable energy industry in the UK renewables hub, Glasgow, for two days of face-to-face business.

As a free-to-attend event, showcasing the complete range of renewable and sustainable technologies and with a world-class conference alongside, All-Energy is where busy people come to do business.

Railtex, Birmingham, 12-14 May 2015, stand V45

Railtex is the all encompassing showcase for technological innovation across all sectors of the rail supply market. Against a backdrop of continuing investment in rail and significant ongoing projects, Railtex provides a timely opportunity for companies serving the rail market to highlight their capabilities and showcase their products and services.

electrical energy storage

ees Europe, München, 10-12 June 2015, stand B1/275

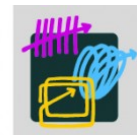

ees Europe is the industry hotspot for suppliers, manufacturers, distributors and users of stationary and mobile electrical energy storage solutions. It takes place annually in conjunction with Intersolar Europe, the world's leading exhibition for the solar industry, in Munich, Germany.

Trako, Gdansk, 22-25 Sept. 2015, stand B24

TRAKO is the largest and most prestigious rail industry meeting in Poland and one of the largest in Central and Eastern Europe. A presentation of the state of the art in transport systems and railway infrastructure in Poland, Europe and round the world. The Fair takes place every two years.
