

MSc's Trade Fair Calendar 2016

ees Europe - Europe's largest exhibition for batteries and energy storage systems

Welcome to meet us at stand B1.686 on ees Europe, 22-24 June, Munich

Stationary electricity storage systems are increasingly gaining ground in residential buildings, most notably in combination with PV installations. With this in mind, the ees Forum will compare lithium-ion domestic storage systems on June 24, offering insights into assembly, start-up and safety.

InnoTrans – The world's leading trade fair for transport technology

Welcome to meet us at stand 109, hall 11.1 on InnoTrans, 20-23 September, Berlin

InnoTrans is the leading international trade fair for transport technology and takes place every two years in Berlin. Sub-divided into the five segments Railway Technology, Railway Infrastructure, Public Transport, Interiors and Tunnel Construction, InnoTrans occupies all 40 halls available at Berlin Exhibition Grounds.
